

Keyboard shortcuts

Use a hardware keyboard with your iPad. Document commands act on the active document or tab.

Cmd = Command **Option = Alt** **Shift = the Shift key**

Hold the modifier keys, then press the final key. Up / Down mean arrow keys.

Cmd + +

Zoom out

Cmd + -

Fit width

Cmd + 0

Previous page

Option + Up

Next page

Option + Down

First page

Cmd + Up

Last page

Cmd + Down

Copy and paste depend on what is selected: PDF text, an annotation, or text in an editable field. While editing text, standard text-editing shortcuts can take precedence over page navigation.

Press Globe + M to browse commands in the app menu.
